For those that have not heard by now, the 2020 National Crosley show in Wauseon has been cancelled; the reasons for cancellation are entirely due to the Covid-19 pandemic. Your meet directors Jeff and Janyne worked tirelessly to make the meet happen but, in the end, we were simply overwhelmed by the stipulations that we would have had to abide by if we were to have the meet as planned.

In order to have the meet, the Ohio Department of Health strictly required the following: a group of no more than 200 people, everyone wear masks at all times, everyone stay 6-feet apart, bathrooms were to be cleaned and sanitized every three hours, a list of everyone in attendance was to be maintained and surrendered on demand to the Department of Health, and a number of other things.

And even with all this, a plan was submitted by Jeff that might have allowed us to hold a meet. This would have made it necessary to cancel things like the old folks home tour, the road rally to Tinys, the silent auction, and having the grounds open to the public. We would have had to have an on-site enforcer to tell people who were not following the rules and even ask them to leave if necessary. There were problems in how our vendors could do business, and even the picnics and banquets we had planned.

In short, with all of this, we simply could not have most of the things that makes Wauseon the event we all know and love. And even with the event changes, the Health Department had the right to change their mind on the first of July. Also if they came to the meet, they could have closed it at any time for any perceived violation.

Your board of Directors met and although numerous points of views were argued, in the end it was a unanimous decision to cancel the meet. No one regrets this more than those who worked the hardest to make it happen and we need to thank them for their work. Also, it was decided that since elections could not be held at Wauseon as per the bylaws, that the present slate of officers and directors will be retained for another year.

I want to urge everyone to consider entering and attending the virtual meet on line. In addition to the show we are working on seminars and demonstrations that will be part of the virtual show. Watch the Club website and Facebook pages for the show and demonstrations and those sites and the Fall Quarterly for results.

Should anyone wish to discuss this, please feel free to call me at 484-769-7856, or email me at tmkldwwj@yahoo.com

Please be safe and I hope to see you all at the 2021 show!
